Give Yourself a New View!

Designs that reach for the sunlight

Bay windows make a beautiful difference and create a dramatic new look.

- Choose your window combinations
- 1½" furniture grade lumber with thermal board insulation
- Head and seat board are paint or stain ready oak
- Adjustable turn-buckle cable hanging system eliminates possible sagging
- Custom made to fit any openings

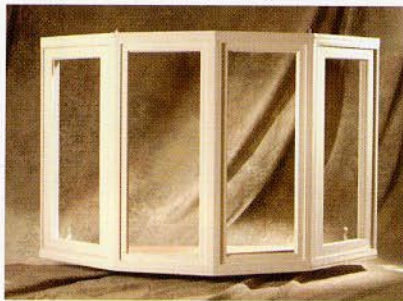

Bay Windows

Single Hung/Picture Window/Single Hung

Bow windows utilize four or five casement units in a curved layout to provide ventilation and light to any room.

- 1½" furniture grade lumber with thermal board insulation
- Head and seat board are paint or stain ready oak
- Adjustable turn-buckle cable hanging system eliminates possible sagging
- Optional folding handles

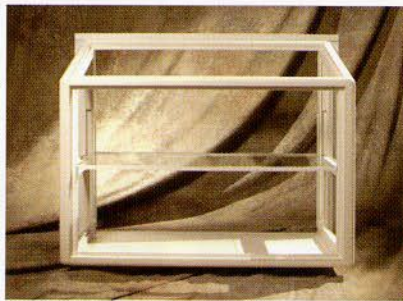

Bow Windows

Casement/Fixed Casement/Fixed Casement/Casement

Add elegance to any surrounding with a three dimensional garden window. Plants thrive on the shelves as it allows light in from four sides of the unit. The garden window is perfect for kitchen and breakfast nooks to bring the outdoors inside.

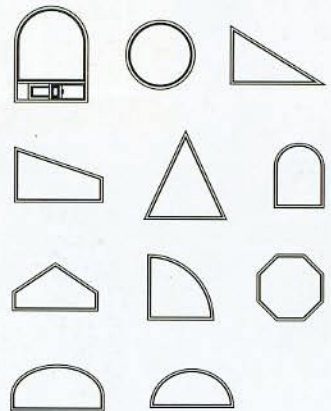

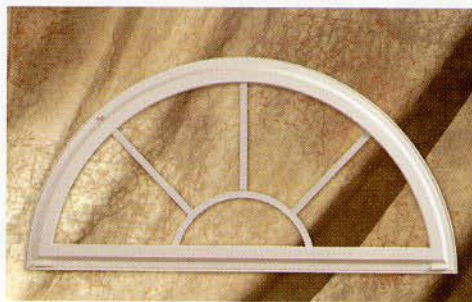

- Easy opening side vents
- Full adjustable tempered glass shelf
- All rounded corners and frame

Garden Windows

Add character and style to any existing opening or create a new one. Choose your style from full circle, arch, half round, triangles, trapezoids. Or create your own unique look by combining a shaped window with one of our operating windows.

- Fusion welded corners
- Exciting grid styles

Shaped Windows
